Homework Policy

Guidelines for the Assignment of Homework and Responsibilities of Students, Staff and Parents.

I. Purpose:

Homework contributes toward building responsibility, self-discipline and lifelong learning habits. It is the intention of JSS International School staff to assign relevant, challenging and meaningful homework assignments that reinforce classroom learning objectives. Homework should provide students with the opportunity to apply information they have learned, complete unfinished class assignments, and develop independence.

Homework assignments include:

- **Practice** exercises to follow classroom instruction
- **Preview** assignments to prepare for subsequent lessons
- **Extension** assignments to transfer new skills or concepts to new situations
- **Creative** activities to integrate many skills toward the production of a response or product

II. Time

Actual time required to complete assignments will vary with each student's study habits, academic skills, and selected course load. If your child is spending an inordinate amount of time doing homework, you should contact your child's teachers. Students are encouraged to pursue non-assigned, independent, leisure reading.

III. Late Work Policies

Students are expected to submit assignments on time. Students who turn in late assignments on a consistent basis will receive any of the following based upon individual teacher discretion or grade level policy.
