

Report on Alumni talk.

"The best preparation for tomorrow is doing your best TODAY". Inspired by this quote We, Department of Inclusion and Guidance at JSSIS had organized "Alumni Talk" on 23.6.2019, Sunday for Grade 10 students to give insight into the admission process of different universities. Talk was bestowed by Om Bhat (JSSIS Alumni, Batch 2018-2019) who got admission in University of Illinois for Mechanical Engineering.
